The issue of Personal Protective Equipment is free of charge to any employee working for the company whether they are employed, sub-contracted or agency labour.

The use of Personal Protective Equipment shall be monitored on site by the Site Manager and Contracts Managers. Assessment is made to ensure it is fit for purpose and employees are provided with instruction on its safe use and requirements for maintenance and safe storage. Anyone found not to be using or maintaining Personal Protective Equipment shall be subject to disciplinary procedures.

Anyone issued with Personal Protective Equipment is required to sign a Personal Issue Record showing what they were issued and the date, all details are included.

The Company will ensure that data is always processed in accordance with the provisions of relevant data protection legislation, including the General Data Protection Regulation (GDPR).
